The meeting was Called to Order at 7:04 P. M. by Council President, K. Wells beginning with the pledge to the flag followed by a moment of silence.

Announcements
1. Council President, K. Wells announced Council will go to Executive Session following the Engineer’s report to discuss litigation.

Persons on the Agenda
1. Susan Good – Chair for the GR Recreation Board
   Ms. Good requested that Council approve hiring another Assistant Director, Jordan Wida, for the 2009 Summer Playground Program. Ms. Good also asked, on behalf of the rest of the Recreation Board, that Council consider increasing the Recreation Fees to $2500.00. Surrounding municipalities have fees of up to $2500.00 and as low as $960.00. Council discussed and indicated that projects currently in progress will not be impacted by this increase in fees. Council usually evaluates the current fee schedule and makes changes annually. L. Cadwallader moved for Council to approve hiring Jordan Wida as another Assistant Director for the 2009 Summer Playground Program, seconded by J. Peters. Motion carried.

2. Connie Alban – 8 High Street
   Ms. Alban requested that Council consider naming the property 3 Main Street, Roser Square, in honor of Connie’s grandparents, who previously owned the property at the same location. The “Crystal Ball Restaurant” was located at the top of an apartment building at 3 Main Street. Ms. Alban said she would purchase a plaque. Council suggested that Ms. Alban contact the
Sesquicentennial Committee to see if the dedication could take place during the 2010 celebration. J. Peters moved to adopt Resolution 2009 – 6, officially naming 3 Main Street Roser Square, seconded by L. Cadwallader. Motion carried.

**Borough Engineer’s Report**

1. The engineer submitted the Growing Greener 2 Grant Application to DEP, but has not received a response yet. The engineer reminded Council that the Borough’s match is $41,250.00 and that this is a reimbursement type of grant so the Borough will have to pay the invoices up front and then submit the claims to DEP for reimbursement.

2. As discussed in last week’s Planning Commission meeting, Glen Rock Vista’s engineer has granted a time extension until September 30, 2009. The time extension should either be accepted or action on the plan is required tonight.

3. The engineer reviewed the Grove Subdivision Plan at the Planning Commission meeting last week. Council must take on the plan tonight. Action can be in form of a conditional approval. Conditions that have not been met include Engineer’s Comments # 8, 12, 18, and 19. Comment #12 is the Waiver of the curb and Sidewalk. Council discussed and agreed with the engineer, that the placement of curb and sidewalk at this location is not feasible.

4. The engineer passed out information on the wall along School Street last month. The borough has to decide how they wish to proceed. As a reminder, when council starts to discuss the budget at the end of the year they should be considering the construction projects for next year. It takes time to design, bid and construct street projects so if we start design in the winter, we can bid early in the year so construction can begin spring or early summer, which allows the street work to be used prior to the winter season.
5. York Housing Authority has completed the storm sewer installation beneath the sidewalk and the sidewalk has been installed. Holley & Associates has inspected the work as it was being performed. The majority of the project is now complete.

6. The new E&S permit has been issued by YCCD for Fields of Broad Springs. The engineer will be forwarding the proposed changes to the attorneys so the amendments to the plan can be finalized, approved and recorded. All outstanding issues will be discussed prior to finalizing the development, including street lights and emergency access roads.

7. The engineer discussed the new FEMA maps and ordinance with Council and obtained their input on the optional items so the draft could be completed and forwarded to DCED. The engineer provided a picture of the Floodway schematic for Council. The engineer reminded Council to keep track of all expenses related to the adoption of the floodplain management ordinance, as 50% of the cost will be reimbursed.

**Council recessed to Executive Session at 8:25 P. M. to discuss litigation.**

**D. Lipinski left the meeting at 8:55 P. M.**

**The Council meeting resumed at 9:20 P. M.**

**Solicitor’s Report**

1. M. Pokrifka emailed Traffic Ordinances to R. Shiles.
2. The solicitor prepared Resolution 2009 – 5, adopting Act 537 Plan revisions and special study on nutrient removal capabilities and alternatives, which were prepared by the Sewer authority on behalf of the Glen Rock Borough. Council discussed. M. Pokrifka suggested making sure that the YCPC’s recommendations were incorporated in the final plan. K. Wells moved to adopt Resolution 2009 – 5, Act 537 Plan revisions and special study on nutrient removal capabilities and alternatives, seconded by K. Krebs. Motion carried.

3. The solicitor provided a copy of Ordinance 460 (2009 – 2), amending the Glen Rock Borough Zoning Ordinance, as previously discussed and recommended by Council. L. Cadwallader moved to authorize the solicitor to advertise Ordinance 460 (2009 – 2), amending the Glen Rock Borough Zoning Ordinance, Ordinance 284 (1986 – 2), Section 303(j)(1-6), as amended, regarding cluster development in a residential-suburban zone (R-1), seconded by R. Shiles. Motion carried.
4. The solicitor discussed a matter regarding fees for the property 205-213 Hill Street with Council. The previous owner had rental five units; the property went to Sheriff Sale and Fulton Bank is now the owner of the property, but only has two renters. Council discussed and stated that Fulton Bank must pay for each Rental Unit, whether there are tenants or not for each established rental unit.

5. The solicitor prepared a memo for Council regarding the subject of Conflict of Interest. The memo is attached at the end of the minutes.

Planning Commission Report
1. In response to the Borough’s September 15, 2008 letter mailed to E Squared LLC, for the Field of Broad Springs Extension, Jason Brenneman, PE from James R. Holley & Associates, Inc., prepared a response offering a few suggestions regarding the possible degradation of Camp Street due to construction traffic. E Squared has offered to pay $5590.00 for repaving Camp Street. J. Brenneman has requested a letter back from the Borough accepting or denying this proposal. Council discussed. K. Krebs moved to accept the E Squared proposal of $5590.00 for repaving Camp Street, seconded by L. Cadwallader. Motion carried.

2. E. Johnston submitted a letter to Glen Rock Borough, granting another extension until the end of September, 2009 for Glen Rock High, LLC, and the Glen Rock Vista project. L. Cadwallader moved to accept the extension until September 16, 2009, seconded by J. Glatfelter. Motion carried.
