The Council meeting was Called to Order at 7:03P.M. by Council President R. Shiles, with the pledge to the flag.

Persons on Agenda
1. Steven J. Fair, CPA and Rachel Scarpato, CPA, SF & Co: GRB’s Independent Auditor

   Mr. Fair and Mrs. Scarpato provided “draft” copies of the borough’s audit for year ending December 31, 2010. As part of their audit process, SF & Co provides a management letter each year, which includes recommendations for strengthening internal control, accounting and financial reporting, and operating efficiency. Comments for the audit year ending December 31, 2009 included improving controls over check disbursements, which was not implemented, and clearing old unreconciled items from bank accounts, which was implemented. Mr. Fair suggested authorizing all Council members as signers on checks and removing the Secretary/Treasurer as a signer. Secretary would still need to be bonded and then all Council members would need to be bonded as well.

   Comments for the audit year ending December 31, 2010 include improving controls over Glen Rock Recreation Board and increasing the treasurer’s bond. Specific to the GR Recreation Board, SF & Co recommends that monthly financial statements be provided to the Council for review. Also, as per IRS guidelines, the GR Recreation Board needs to decide whether they are hiring independent contractors, who receive prepared 1099-MISCs, or employees, who will be paid through the Borough’s payroll system. Mr. Fair defined an employee as one who
completes specific tasks at a designated time each day. SF & Co suggests increasing the treasurer’s bond to the highest total cash available, to protect the Borough’s interests. Mr. Fair also recommended purchasing a bond for the treasurer of the GR Recreation Board.

*K. Wells arrived for the meeting at 7:22 P. M.

2. Lee Hoffheins, Borough Tax Collector and Treasurer for Hufnagel Library Board
   As the Borough’s Tax Collector, Mr. Hoffheins is bonded for $180,000.00.
   Mr. Hoffheins presented an update for the library including information about their 2011 budget and other programming updates. About one-half of Hufnagel Library’s income comes from State and County Aid; the other half of their income has to be raised through contributions, donations, and fund raising events. Electronic books will be available beginning April 1, 2011 and the library is now accepting credit card payments.
