Borough Engineer’s Report
1. The Codorus Street Retaining Wall project is complete. The engineer will complete the Army Corps GP-4 Permit Compliance. J. Brenneman provided a Request for Payment for Brett Bishard General Excavating. The secretary will contact FEMA about scheduling a final inspection, if necessary. J. Brenneman asked to be present if FEMA does complete an onsite inspection. Council asked about whether the piping was supposed to be capped off or cut off. J. Brenneman was unsure and will investigate.

2. The Church Street – Growing Greener II Grant project bids will be advertised April 17 and 23, 2013. Jineen Boyle asked whether the Borough was interested in filing for an extension until September, 2014, just in case there is an unforeseen problem during construction. D. Young moved to authorize J. Brenneman to file for an extension with Jineen Boyle, DEP, for the Church Street – Growing Greener II Grant project, seconded by L. Cadwallader. Motion carried.
3. Strathmeyer Landscape Development provided an estimate for repair of the Rain Garden due to damages from the Pepsi Truck.

4. J. Brenneman met with Shrewsbury Township, Mr. Charles Wetzel and the WS this afternoon to discuss lack of drainage for storm water runoff along Manchester Street near Wetzel's Market. Gabions were installed on both sides of the creek channel, by Penn DOT, but this is outside their jurisdiction. Penn DOT is responsible for piping and inlets if located in the Township, but if located in the Borough, Glen Rock is responsible. A suggestion was made to video the pipe. The engineer discussed possibly installing one inlet and a new pipe but one inlet is not going to catch all the storm water runoff. D. Young moved to authorize the engineer to contact Penn DOT to schedule another meeting, to gather more information, seconded by E. Delahanty. L. Cadwallader was opposed; E. Delahanty, B. Wetzel and D. Young voted in favor. Motion carried. L. Cadwallader explained that she was opposed because not all of Council was present for the meeting, to help make the decision.
