Announcements/Vacancies
1. The following vacancies were announced:
   a. GR Planning Commission, one vacancy as of Nov 3, 2013;
   b. GR Zoning Hearing Board, one vacancy as of Dec 14, 2013;
   c. GR Water & Sewer Authority Board, on vacancy as of May 21, 2014.
Council received one letter of interest for the vacancy on GR Water & Sewer Authority Board from Borough resident, Aaron Waldon. J. Diehl moved to appoint Aaron Waldon to the GR Water & Sewer Authority Board vacancy, seconded by M. Shaver. Motion carried.

Borough Engineer’s Report
1. J. Brenneman provided an update on the Church Street project. Highlights include: pre-construction meeting was held with York County and CDBG Church Street C/S Improvement project; Carbaugh may begin some curb and sidewalk replacement while Columbia Gas is still working on gas line work. Columbia Gas work will continue for at least the next six weeks. Carbaugh will have a full crew in place by mid to late August. Wexcon will then have time to finish their portion of the storm sewer and inlet replacements. The bids for paving will be presented to Council at the August meeting and the Borough’s projects should be finished in September. All paving should be completed before October 15, 2014.
2. Columbia Gas has a project scheduled for Winter Avenue beginning in late 2014. The work will include installing a new gas line on Winter Avenue, from Manchester Street, extending 700 feet. Columbia Gas plans to mill and overlay this portion of Winter Avenue, 700 feet long and a maximum of fifteen feet wide. Council discussed storm sewer replacement in this area of Winter Avenue prior to Columbia Gas starting their project. Approximate costs of construction and engineering were not immediately available and Council needs to know whether Liquid Fuel funds could be used to pay for this type of project. J. Diehl moved to authorize the engineer to design storm sewer replacement/road reconstruction for Winter Avenue, seconded by D. Young. Motion carried.
3. J. Brenneman discussed the storm sewer pipe replacement on lower portion of Hanover Street project and sediment removal from the Mill Race project with Jineen Boyle, DEP; both of these projects would not be competitive for Growing Greener funds. Adding new BMP’s, stream restoration, and rain gardens are the types of projects which are the most competitive to be eligible for Growing Greener funds. J. Brenneman described different funding available through DCED, Act 13 Marcellus Shale, which requires a fifteen percent match and has a deadline of July 21, 2014. There is not enough time to design/complete the application for the Hanover Street project and the cost of sediment removal from the Mill Race may be affordable using Borough funds. Council will direct the Work Supervisor to obtain estimates for sediment removal from the Mill Race.

*J. Brenneman left the meeting at 7:37 P. M.

Police Commission Report
1. John Trout thanked Council for the opportunity to serve the Borough of Glen Rock; he is currently the Chairman of the Police Commission.
2. The monthly Chief’s report for April, 2014 is available in the Borough Office, regarding specific calls for service. Council may request the attendance of the Chief or any officer to attend Council meetings.
3. Most recently the Commission passed an updated version of Civil Service Commission Rules and Regulations. The Civil Service Commission will be meeting soon to reform and discuss the administration of the Sergeant’s examination.
4. The Commission has decided not to install new GPS devices in the patrol vehicles, since the vehicles do have similar equipment. The Commission may purchase newer cameras.
5. The Commission is continuing to investigate possible participation in the PA Chief of Police Accreditation program. On-going costs of the Accreditation program are a factor as the Commission continues to discuss this matter.

6. The Commission sub-committees are working on an administrative handbook, substance abuse policy for officers, by-law revisions to reflect the addition of Stewartstown, and develop an annual review policy for all personnel.

7. The Commission has not received a letter from the Officer’s union to enter into contract negotiations.

8. Council informed J. Trout of the Disruptive Conduct Report (DCR) which is part of Ordinance 472, the new rental property ordinance. Southern Regional Police Officer R. Blais was present and stated that the format of the DCR is lengthy. One suggestion is to shorten the DCR to include concise information: Name, address, date of incident, type of incident, officer’s signature. M. Pokrifka stated that the current DCR is a working document and may be changed. Council expressed interest to review the DCR format and a willingness to work with the Chief and police officers.

No GR Planning Commission Report

GR Recreation Board Report
1. The Recreation Board approved requesting a minimum donation of $25.00 for use of the pavilion, beginning in 2015, to help increase their revenue.
2. The Board is still discussing projects including replacement of the perimeter posts, and treating the clover/dandelions.
3. Recreation Board member Anne Creamer works for State Farm Insurance. She applied for a $500 grant from State Farm’s Good Neighbor program and the grant was approved.
4. Council discussed the necessity of the Recreation Board obtaining Certificates of Liability for third party sponsors of sporting events using the GR Park fields. As per the Borough insurance company, the Recreation Board’s Park Reservation form also needs to contain a waiver of liability statement. A. Merrick will contact Judy Flemmens to obtain a copy of the current reservation form.

Approval of Minutes
1. B. Wetzel moved to approve the April 23 Quarterly Meeting Minutes, seconded by E. Delahanty. Motion carried.
2. M. Shaver moved to approve the May 21, 2014 Council Meeting Minutes, seconded by J. Diehl. B. Wetzel abstained from voting; the motion carried.
Zoning Officer’s Report

Solicitor’s Report
1. M. Pokrifka has contacted Tammy Klunk and Mike Forbes with YC Department of Parks and Recreation to discuss relocating the Rail Trail path between Enterprise Street and the GR Mill Inn. M. Pokrifka will confirm a meeting with Ms. Klunk and Mr. Forbes and several Council members for June 25 at 1pm. 
2. M. Pokrifka confirmed Council’s decision to suspend further collections with Republic Services and for CGA to send a letter to Republic Services requesting collection of outstanding legal fees currently owed to CGA. M. Pokrifka provided a letter for Council to review and approve. She also requested permission from Council to file two additional liens for outstanding refuse fees. B. Wetzel moved to authorize the solicitor to file two additional liens for outstanding refuse fees and mail the contract refuse collection letter to Republic Services, seconded by M. Shaver. Motion carried.
3. M. Pokrifka briefly discussed that an ordinance is necessary for the Glen Rock Hose & Ladder Fire Company to allow for third party collections from insurance companies. She has developed a list of questions to assist her development of an applicable ordinance for Glen Rock Borough. Council has requested that the Fire Chief and/or a representative from the third party billing company attend a Council meeting to provide answers regarding their billing process.
