Treasury report – need to review past minutes to understand how much we have approved for the Grant to be payed out of the Rec Board Budget – we may need to pay additional funds towards the grant.

Dog Park Updates:

Will need to pay for permanent signage for the Dog Park – suggested to wait until next spring in case any rules need to be added or changed

- Need to have sponsors on the main sign for the Glen Rock Dog Park sign – “Sponsored By _____”
- Until permanent sign created – get banner for low cost to utilize
- Permanent signage will most likely be \$1500+
- Could potentially ask the High School Woodshop to create the signs out of wood, or Boy Scouts/Eagle Scouts - New Freedom and Shrewsbury can be reached out to

Trash can needs to be ordered for outside of the dog park entrance

Two benches in the park – matter of time for Ron to paint and bring them up – 2 are done, 3 more to come
