**The initial Town Hall Meeting was Called to Order** at 6:30 PM by Vice-President A. Rombach. Comments limited to Borough Residents' only. Data was provided to those in attendance. A few factors that affect the decision to remain a fulltime Regional Police member include increased costs, stagnant growth, higher millage rate than all other regional police commission member municipalities. Several borough residents provided comments/questions. Items to consider, but are not limited to: support for State Police services in place of Southern Regional Police Department, will the Borough receive a health rebate for 2021, why did the cost of police services increase by nineteen percent from 2021 to 2022, possible skewed data, has the Borough tried to encourage other municipalities to join Regional Police Services including Shrewsbury Township, and what other topics will be discussed to make an informed decision. The Police Commission would like to provide Council with a presentation.

Meeting ended at 7:02 PM.

**Respectfully submitted,**

Ann E. Merrick
