New Business

1. Marcellus Shale Grant for a community garden - Ali sent it in but the man in charge retired so it now needs to be submitted a different way
2. The money from the Veteran's Park fund from the old Friends of Glen Rock organization has been transferred to the Glen Rock Rec Board where it will remain dedicated for the veteran's park

Old Business

1. There are still a lot of beer cans being found in park trash cans and it would seem that the baseball team is drinking after practices - a reminder will be sent out letting them know that there is no drinking in/at the park
2. Bark for the Park: this year's bark for the park will be held September 17th from 11 to 5. Ali is handling the vendor applications and the popup on the website letting people know about the event. Sarah will create the Facebook event and Madison is handling the design of the poster. Current events include a search and rescue demonstration, a demonstration by a local dog trainer, dog games/olympics including an agility course and lure chasing. Paw print prints will be sold as a fundraiser for \$5 or \$6 if they are personalized and Madison will be taking point on that. There will be 1 or 2 food vendors plus an ice cream truck. Considering asking The Well and Without A Hook to be the food vendors and asking the Kindred Wellness Center if they would like to sell coffee. Raffle baskets will also be sold so we need to get a games of chance license.
3. The bench has been ordered and approved and will be installed in August or September - the family of Becky McCullough will be paying the \$1110 for the bench to be placed as a dedication bench in the park
4. Event updates:

- Halloween - will once again do the hay bales hidden around town, as well as the pumpkin hunt and teen dance.
- Christmas in Glen Rock:  
Friends of Glen Rock Borough will be taking over the planning of Christmas in Glen Rock this will be a multi-day festival November 25th through 27th. Activities will include free Santa pictures at the park, the annual candy cane hunt, another cookie kit giveaway and the Glen Rock tree lighting. Discussed getting a fake switch for Santa so that it looks like he is actually lighting the tree. Michelle will reach out to Expressions Dance Studio to see if they are interested in performing.

5. Maintenance Issues

- Automatic door locks - the option we had previously discussed won't work so more research will have to be done.
- Dog park grass reseed is on hold until fall
- Pavilion Maintenance - does it need to go out for bids?
- Sinks have been fixed and are done
