

**GLEN ROCK PEDESTRIAN SAFETY IMPROVEMENTS PROJECT
BOROUGH OF GLEN ROCK
YORK COUNTY, PENNSYLVANIA**

Virtual Plans Display Notification

Glen Rock Borough cordially invites you to participate in a virtual public plans display for the Glen Rock Pedestrian Safety Improvements Project. The project involves pedestrian facility improvements along Main Street (SR 0216) from Water Street to Hanover Street in Glen Rock Borough. The virtual plans display will provide information about pedestrian safety improvements currently being evaluated, an overview of the environmental studies, and anticipated project schedule.

The virtual plans display will be available from **March 9, 2026 to April 10, 2026**. To access the display materials, please visit the Arthur Hufnagel Public Library or online at <https://www.glenrockpa.org/> under "Latest Borough News" or scan the QR Code to the right. An informational handout and comment form will be available at the Arthur Hufnagel Public Library at 32 Main St, Glen Rock, PA 17327.

Any person requiring special assistance to participate in the virtual plans display may contact the Borough at (717) 235-3206 or email rwagrb@outlook.com to coordinate arrangements.

Thank you in advance for your interest and ongoing support of our transportation improvement program. If you would like additional information concerning the project, please contact the project engineer, Matthew J. Lena, P.E., Herbert, Rowland & Grubic, Inc. at (717) 592-9681 or mlena@hrg-inc.com
