    c. Can discuss additional work once we know prices on above items.
    d. ARLE Grant
        i. PADOT provided 1 item for punch list which was redoing the stop bars. This was not part of the contract as they were existing but since the signal permit requires maintenance of these, PADOT said they have to be done before the permit is closed. Contractor is working up a proposal to do all 4 stop bars in thermoplastic along with fixing up other white lines. Will forward if I receive. Can use grants funds if available or will need to use general funds if not available.
        ii. Motion to approve the work to be completed.
